Printing Preferences
Print: Your entire Address Book
Category: All
Layout: Detailed view
The detailed view includes all fields in your address book.
Basic view
The basic view only includes the following fields: full name, nickname, Yahoo! ID, company, email, and primary phone.
Avery 5162 (2 columns) mailing address labels (PDF)
Please note, because these are 'mailing labels', this will only include contacts which have a mailing address.
Avery 5160 (3 columns) mailing address labels (PDF)
Please note, because these are 'mailing labels', this will only include contacts which have a mailing address.
