<h1 style="font-style: italic">Help the Earth - Recycle</h1>
<p>It is time for our annual recycling drive! Recycling means taking a product or material at
the end of its useful life and making it a usable raw material to make another product. We have
been very successful with paper and plastic products. Last year, we recycled more items than
our previous three years. Let's try to do it again this year. We will have a dinner for
everyone involved with the recycle drive on Saturday night. We hope to see you all there!</p>

<h2>About Recycling</h2>
<p>For this section of the Web page, you should search the Internet and find information about
recycling efforts world-wide. Make sure that your sources are accurate and that you credit
sources appropriately. List the things here that you feel are the most important aspect of
recycling. Since you are creating targets and links on this Web page, you should try to add
enough information to allow a Web page visitor to utilize the links provided in the bullet
list. Add other "To top" links as needed.</p>
<a name="when"></a>
<h2>When</h2>
<p>This section should be used to tell when the recycling program will run. Use dates, times,
and places as sources of information in this section of the Web page.</p>
<a name="contact"></a>
<h2>Contacts</h2>
<p>For information regarding this Web site, recycling products, or sponsoring a recycling
drive, please e-mail: Donna Jo McCauley at <a href="mailto:donna.mccauley@isp.com">
